Samuel Ikechukwu Onyedikachi

Computer Science Student of Michael Okpara University of
Agriculture Umudike

Ikeja, Lagos State, Nigeria

Summary

I am a dedicated and passionate individual with a strong academic background in the fields of mathematics, computing, and applied sciences. I currently study at Michael Okpara University of Agriculture Umudike, within the College of Physical and Applied Sciences, where I am actively involved in the Nigeria Association of Computing Students (NACOS) and the Joint Association of Physical and Applied Science Students (JAPASS).

Additionally, I have worked as a Mathematics Instructor in a freelance role at DeeperLife Summer Coaching Academy, where I developed personalized lesson plans, delivered engaging lessons, and provided one-on-one support to help students enhance their skills and understanding of mathematics. I also have experience as a Data Analyst at DataGuardNG, where I applied my analytical skills to interpret data, identify trends, and provide insights for decision-making.

My diverse experiences have allowed me to develop strong organizational, teaching, analytical, and collaboration skills, and I am always eager to contribute to the growth of academic and professional communities.

Experience

SilkRoad Finance Limited

Customer Service Representative

October 2024 - December 2024 (3 months)

Ikeja, Lagos State, Nigeria

In this role, I provided exceptional customer support by addressing inquiries, resolving issues, and ensuring client satisfaction. I handled account-related tasks, maintained accurate records, and communicated effectively with

customers to deliver tailored solutions. This experience enhanced my problem-solving, communication, and multitasking skills in a fast-paced financial environment.

DataGuardNG

Data Analyst

June 2023 - July 2024 (1 year 2 months)

Ilupeju Lagos

During my internship at DataGuardNG, I utilized Excel for data entry, data cleaning, and basic analysis. I conducted quality control checks to ensure data accuracy, consistency, and compliance with company standards. Additionally, I collaborated with team members to streamline workflows, enhance data management processes, and provide support for generating reports that informed business decisions.

Soderu & Soderu Legal Practitioners, Arbitrators & Notary Public

Legal Secretary

August 2022 - November 2023 (1 year 4 months)

Old Secretariat, PWD, Ikeja, Lagos

As a full-time Legal Secretary at Soderu & Soderu Legal Practitioners, I managed administrative tasks, prepared and proofread legal documents, scheduled appointments, coordinated meetings, and maintained client records. I provided support to attorneys by ensuring smooth office operations and timely delivery of legal services.

OK FOODS LIMITED

Inventory Manager (Intern)

January 2022 - December 2022 (1 year)

Apapa Expressway, Lagos

During my internship as an Inventory Manager at OK Foods, I was responsible for tracking and optimizing inventory levels to support operational efficiency. My role involved maintaining accurate inventory records, analyzing stock trends, and coordinating with procurement and production teams to ensure timely availability of materials. I also implemented process improvements to reduce waste and improve inventory accuracy, contributing to cost savings and streamlined operations.

DeeperLife Summer Coaching Academy

Mathematics Instructor

September 2021 - June 2022 (10 months)

Lagos State, Nigeria

As a Mathematics Instructor at DeeperLife Summer Coaching Academy, I taught mathematics concepts to students, helping them prepare for academic challenges. I created personalized lesson plans, delivered engaging lessons, and provided one-on-one support to ensure each student understood key concepts and improved their skills in mathematics. My approach was focused on building confidence and helping students succeed.
